Chips: Main light: High quality COB LED, 6500K

Top light: High quality SMD LED, 6500K

Switch Mode /Luminous flux /Run time:

1. Flashlight(Top): 200 lm - 2.5h

2. Floodlight(Side): 300 / 100 lm - 2h / 5h

Battery: Rechargeable high quality 3.7V 750mAh Li-ion

0.5m Type C USB Charging cable

Material & Features:

Durable, anodized machined aluminum construction

Strong magnet on the clip and bottom

Led charging indicator : Blinking - charging, Green - Filled

3-Colours Battery Capacity indicator :

Green - Yellow - Red - Red Blinking

Charging time: 2.5 hours

Temperature: -10° to +40°

CE, RoHS, IP20

Product size: 170.2x15.2x21.2 mm

Product weight: 60g

Color box size: 50x30x175 mm

Master carton size: 36x20x27 cm

60pcs/carton
